Choose your mesh size

All Zapco Aquaculture mesh bags are manufactured using 95% environmentally friendly marine grade re-compounded recycled material

3*3mm mesh tube
(1/8*1/8 inches)
ZAP001-3

8*8mm mesh tube
(5/16*5/16 inches)
ZAP001-8

TUMBLE 'N' GROW

Spat Pouch

The NEW optional Zapco, spat pouch revolutionizes the way spat can be outgrown reducing the need for sophisticated upwelling systems

Giving farmers more opportunity to purchase smaller spat at reduced price point from hatcheries

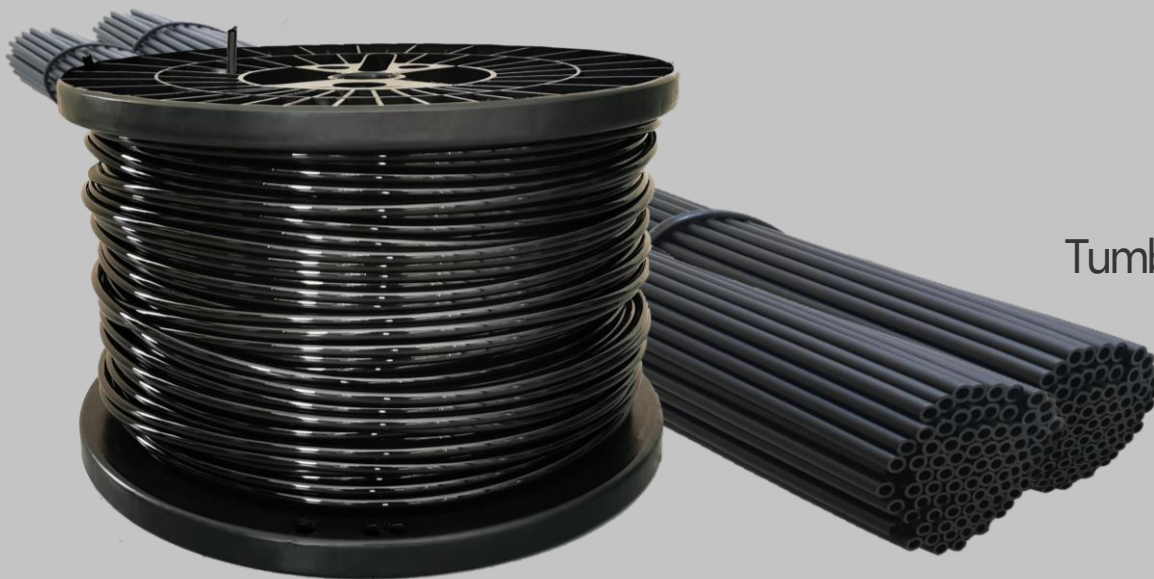

The easy to use – spat pouch opens from either end. Simply place spat into the pouch and zip up the pouch. Slide two spat pouches into Zapco's 8mm mesh tumbler and close the door. Place on the backbone, then sit back and watch them grow into the perfect oysters.
